THE LAS VEGAS VALLEY

Population

2,147,641

The Las Vegas Valley is a rich network of people from all over the world (as well as a committed group of true Las Vegas-born natives) who have chosen to make the diverse, unique Las Vegas Valley their home. It continues to evolve with new cultural offerings and highlights that simply can't be found anywhere else.

CLIMATE

Las Vegas averages over 300 days of sun per year. The drier climate has been noted for its health benefits.

Las Vegas weather is known for the hot summers, moderate winters, warmth, light and enjoyable climate. Las Vegas living is enhanced by predictable, consistent weather patterns.

Usually, the weather comes from the West Coast. It will bring occasional clouds and moisture from the south or north. Residents generally can count on dry air for weekend adventures.

SOUTHER NEVADA COMMUNITIES

Deciding which part of the Valley to call home is a big decision. Whether you're in the market for a family neighborhood, a high-rise condo overlooking the Strip, a custom-built home or a simple apartment, Southern Nevada offers an incredible variety of home styles, neighborhoods, and ambiances. Southern Nevada's three largest cities, Las Vegas, Henderson and North Las Vegas, are located in Clark County. While within close proximity to one another, each city is fully independent.

Las Vegas

The City of Las Vegas includes the Downtown Area, the historic East Side, the award-winning masterplanned community of Summerlin, and more. The City of Las Vegas' vision is a world-class, vibrant, affordable, economically and ethnically diverse, progressive city where citizens feel safe, enjoy their neighborhoods, and access their city government.

City of North Las Vegas

The City of North Las Vegas continues to grow in terms of business innovation, economic development, and diversification efforts, and has about 235,000 full-time residents. With a growing industrial base, eco-tourism, and new businesses opening up, the City of North Las Vegas is anchored in community pride and a forward-thinking mantra, and continues to surge upwards as a business and family-friendly place to call home in Southern Nevada.

City of Henderson

The City of Henderson, the second largest city in Nevada and home to more than 260,000 residents, is known as "a community of small town values with big city efficiencies." Known nationwide for its master-planned communities, recreation and parks areas, it is a community lauded for its public services and family values.

SOUTHER NEVADA COMMUNITIES

Laughlin
Located 90 miles south of Las Vegas, unincorporated Laughlin is situated on the banks of the Colorado River at the three-corner region joining Nevada, California and Arizona. This resort destination boasts a number of attractions and golf courses. Housing options in Laughlin include single-family homes, condos and town houses, apartments and mobile homes. There are 10 resorts and more than 11,000 hotel rooms in Laughlin.

Mesquite
Mesquite is quickly growing in popularity as a favorite getaway destination for many Las Vegans. Mesquite has a municipal airport, a fine arts center, recreation and senior centers, a museum, an arboretum, rodeo grounds and a city parks and trails system. In addition, there are several nearby national and state parks, as well as a number
of golf courses, spas and resorts.

Mount Charleston
Located about 35 miles northwest of Las Vegas, Mount Charleston is located in the Spring Mountains in the Toiyabe National Forest. A 45-minute drive north of Las Vegas, Mount Charleston offers residents the opportunity to snow ski from November through April at Lee Canyon. The mountain community includes rustic custom homes with scenic views surrounded by lush greenery. A trail system provides opportunities for hiking, camping, and other activities that can be enjoyed year-round.

Pahrump
Located 50 miles west of the south end of Las Vegas and 60 miles east of Death Valley, Pahrump is home to several major housing developments. To serve the growing population, the city has attracted several chain retail outlets, five full-service casinos and a wide variety of independent shops and commercial enterprises.

ECONOMY & JOB MARKET

Las Vegas is rated the 3rd fastest growing private sector employment in the country, after Utah and Florida, growing at 3.8%. Gaming, Las Vegas' trademark industry, has served as the catalyst for the lion's share of the Valley's growth and economic success. From finance to construction and retail to service, Las Vegas' tourist and entertainment venues and hotel and casino resort properties promise a steady demand for jobs as well as create a wealth of new business opportunities.

EMPLOYMENT CARDS/CERTIFICATION

If you are hired in a food and beverage or child care position, you must obtain a health card from the Southern Nevada Health District. If you are hired in the hotel or gaming industry, some positions are required to have a Sheriff's Work Card. A referral from the hotel/casino is required in order to get the Sheriff's Card. If you handle or work directly around liquor, you are required to have an Alcohol Education Card.

CLARK COUNTY SCHOOL DISTRICT

Established in 1956, Clark County School District is the fifth largest school district in the country, educating almost 75 percent of all students in Nevada with more than 320,000 students enrolled in Kindergarten through 12th grade. The district encompasses 357 schools and approximately 8,000 square miles in southern Nevada and is a minority majority student district. With more than 40,000 employees, CCSD is also the largest employer in the state.

CCSD is governed by a Board of Trustees comprised of seven members who represent different geographic regions within the county. The mission of the board is to ensure “all students progress in school and graduate prepared to succeed and contribute in a global diverse society”. The district offers nationally recognized Magnet Schools and Career & Technical Academies as well as an online secondary school (Nevada Learning Academy) and several International Baccalaureate programs available to elementary, middle and high school students.

Services offered by the district also include a school police department, adult education courses, special education, and partnerships with higher education institutions and community organizations such as Vegas PBS and the Public Education Foundation. As the largest school district in Nevada, CCSD plays a pivotal role in ensuring the future success, growth and advancement of the state.

- Children must meet the following minimum age and entrance requirements on or before September 30, 2015, to be admitted to kindergarten, first, or second grade. (Nevada Revised Statutes - NRS 392.040)
- Kindergarten students must have attained the age of 5 years old by Sept. 30 to attend kindergarten.
- First-grade students must have attained the age of 6 years old and demonstrate proof of completing kindergarten at a public, state-licensed private, state-exempt private or approved home school program.

~ OR ~

- Demonstrate proof of completing kindergarten and promotion to first grade while being a resident of another state in compliance with the age and entrance requirements of that state. Proof must be verified through a report card issues by the last out-of-state public or private kindergarten.
- Second-grade students must have attained the age of 7 years old and demonstrate proof of completing kindergarten and first grade at a public, state licensed private, state exempt private or approved home school program.
- Children who have attained the age of 6 who do not meet the entrance requirements will be placed in kindergarten.
- Children who have attained the age of 7 who do not meet the entrance requirements will be assessed to determine if the student is developmentally ready for first or second grade.

Registration Requirements

1. **Proof of Address** - One form of proof of address is required. A recent utility bill (telephone and cable bills are not acceptable), current mortgage statement, rental receipt, residential lease agreement, or sales contract are acceptable forms of proof of address.
2. **Parent/Guardian Personal Identification** - A driver's license, picture identification and/or passport are acceptable forms of personal identification. Permanent and temporary guardians should be prepared to provide proof of guardianship at the time of registration.
3. **Proof of Child's Identity** - An original birth certificate, passport, or a certified birth card issued by a health district are acceptable documents for proof of child's identity.

IMMUNIZATION RECORD

NRS 392.435 Immunization of pupils: Certificate prerequisite to enrollment; conditional enrollment; effect of failure to immunize; report to Health Division; inclusion of certificate in pupil's record.

Unless excused because of religious belief or medical condition, a child may not be enrolled in a public school within Nevada unless the child has been immunized and has received the proper boosters for that immunization or is complying with the schedules established pursuant to NRS 439.550.

For detailed information concerning immunization requirements for children attending CCSD schools, visit ccsd.net/ccsd/content/media-files/immunization-requirements.pdf. For assistance with obtaining immunizations, parents may contact the Southern Nevada Health District at 702.759.0852.

GRADUATION REQUIREMENTS & DIPLOMA OPTIONS

To receive a diploma from a Nevada high school, students must meet course requirements and pass the Nevada High School Proficiency Exam (NHSPE). Please contact your school counselor to discuss your student's course of study.

SECONDARY EDUCATION

University of Nevada, Las Vegas

Since our first classes were held on campus in 1957, UNLV has transformed itself from a small branch college into a thriving urban research institution. Along the way, our urban university has become an indispensable resource in one of the country's fastest-growing and most enterprising cities.

UNLV's diverse faculty, students, staff, and alumni promote community well-being and individual achievement through education, research, scholarship, creative activities, and clinical services. We stimulate economic development and diversification, foster a climate of innovation, promote health, and enrich the cultural vitality of the communities that we serve.

We will evaluate our success as a leading research university by our progress on these key measures:

- Impact of our research, scholarship, and creative activities.
- Student achievement of learning outcomes.
- Placement into preferred employment or post-graduate educational opportunities.
- Student, faculty, and staff diversity, including maintaining UNLV's Minority Serving Institution (MSI) status and Hispanic Serving Institution (HSI) status.
- Intellectual activity, patents, and entrepreneurial activity fostered by UNLV.
- Quality and impact of our clinical services.
- Alignment of our physical infrastructure and organizational effectiveness with our Top Tier mission.
- A deeper engagement of UNLV with Las Vegas and our region to ensure ongoing alignment with our diverse community's needs and interests.
- Carnegie Classification criteria (research expenditures; doctoral degrees granted per year; number of non-faculty research staff, such as postdocs; and Carnegie Community Engagement status).
